^b Department of Gastroenterology, “Hippokration” General Hospital of Athens, Athens, Greece

The authors regret to change the first name of the second author; more specifically we would like to change the first name “Stamatina” to “Tania”—the family name (“Triantafyllou”) remains as it is. On behalf of all the authors, I assure that we are in agreement with this change.

The authors would like to apologise for any inconvenience caused.
